

CAPA CONFERENCE 2017

October 12-14

BOMBER COMMAND MUSEUM OF CANADA NANTON, ALBERTA

The Museum is looking forward to hosting this gathering of representatives of Canada's Aviation Museums

Our planning is underway and we will be offering delegates:

- Presentations that focus on vintage aircraft -their restoration, display, and the telling of their history.
- Opportunities to share best practices and success stories with other Canadian aviation museums.
- The opportunity to tour the Bomber Command Museum and enjoy a Lancaster Run-up, Bristol Hercules Engine Run-up, and a demonstration of our operational Lancaster rear gun-turret.
- Close-up looks at our restoration projects -Lancaster FM159, Mosquito RS700, and Anson 7481.
- Lots of opportunities to visit and network with your colleagues from museums across the country.
- A supper of fine Alberta Beef (or alternate) at the BAR U RANCH National Historic Site.
- The fascinating story of "Jonathan Spinks -Airplane Hunter" following the banquet.
- The opportunity to visit the Air Force Museum of Alberta and The Hangar Flight Museum in Calgary.
